ORDER

LEWIS A. KAPLAN, *District Judge*.

This matter is before the Court on the defendants' motion to dismiss [DI 19] or, in the alternative, to strike certain allegations from the plaintiff's First Amended Complaint ("FAC"). Magistrate Judge Sarah Netburn has rendered a report and recommendation, dated September 7, 2018 (the "R&R"), which recommends denying the motion in its entirety. No objections to the R&R have been filed although the time within which to have done so has expired. Accordingly, the motion to dismiss and to strike is denied.

SO ORDERED.
